With our experienced staff, extensive industry knowledge, and comprehensive infrastructure, you can be assured that you will receive top quality service from New Zealand Movers.

MOVING FAMILIES
NOT JUST FURNITURE

International Moving

Whether you are moving your complete household or just one carton of personal possessions New Zealand Movers can arrange the shipping to or from any country in the world.

With our vast global network of affiliated partners we have the world covered and can provide complete 'door to door' or 'door to port' services. And depending on your requirements we offer both sea and air freight options.

We have regular shared container services to Australia, UK, USA, Canada, South Africa and Europe. Whatever your requirements we have a range of services to suit your needs. Get started by saying yes to New Zealand Movers.

National Moving

Whether you are moving your complete household or just a few items New Zealand Movers can move you from Cape Reinga to Bluff.

With our network of five nationwide branches in Auckland, Hamilton, Wellington, Christchurch and Dunedin we have the country covered and can provide complete door to door services.

We have a large fleet of purpose built furniture removal trucks and offer regular service all over New Zealand.

Whatever your requirements we have a range of services to suit your needs. Get started by saying yes to New Zealand Movers.

NOT JUST FURNITURE

Professional Packing

Our aim is to provide the utmost care and protection of your personal and household effects.

As such, we employ some of the most up to date and specifically designed packaging materials and techniques in the moving industry. Please view our website to see for yourself.

We also provide specialty packing such as custom built wooden crates and polystyrene filled flat screen TV cartons.

Whatever your requirements we have a range of services to suit your needs. Get started by saying yes to New Zealand Movers.

Comprehensive Insurance

Selecting the right level of insurance cover is an important decision to make.

At New Zealand Movers we appreciate the importance of this decision as during the moving process there is always an element of risk. Thankfully, we are able to offer a range of comprehensive insurance options to ensure your personal possessions and equipment are well covered should the unlikely happen.

Simplicity is the key word when it comes to our policies. The policy wording is clear and concise and we make it easy for you to understand and choose the cover that meets your requirements.

Peace of mind is guaranteed knowing that our policies are underwritten by Vero Marine, one of the world's largest and most reputable insurance providers.

Whatever your requirements we have a range of services to suit your needs. Get started by saying yes to New Zealand Movers.

Secure Storage

Whether you require storage for one week or a whole year.

All of our network of five nationwide branches have secure storage warehouses available to cater for your long or short term storage requirements.

Each individual warehouse is operated with 24 hour, 7 day a week security monitoring. This provides real peace of mind whilst entrusting your personal possessions and equipment to our care.

Whatever your requirements we have a range of services to suit your needs. Get started by saying yes to New Zealand Movers.

Additional Services

We offer a number of additional services to help make your moving process complete.

Pet Transport. Your pet is a precious part of your family and they need to find their way to your new home too. With our carefully chosen service partners we can arrange the national and international relocation of your beloved pets.

Vehicle Transport & Shipping. Considering transporting or shipping your motor vehicle, motorcycle, boat, caravan, or trailer? We ship anywhere in New Zealand and all over the world. We know all about import regulations and assist you with this process.

House Cleaning. Another one of those tasks you need to perform when you leave your old home and arrive at your new home. With our carefully chosen service partners we can help relieve you of these tasks.

Valet Unpacking. Transforming your carton-filled house into a comfortable new home can be a time consuming job. With our carefully chosen service partners we can provide valet unpacking services to have this taken care of in just one day.
