This is comprehensive and provides you with cover for Accidental loss, physical damage or destruction of The Property Insured including breakage, scratching, denting, chipping, or tearing and including cover for Pairs & Sets and electrical & mechanical failure, physical damage or destruction of The Property Insured as a direct result of fire, flood and/or accident to, or overturning of the conveying vehicle. Cover is extended to include total loss of any shipping container lost overboard or dropped whilst loading on to, or unloading from, vessel or craft. You are also covered for burglary following violent and forcible means (or threat thereof) of The Property Insured from any New Zealand Movers storage facility or securely locked vehicle whilst in the ordinary course of transit.

This cover has an excess of NZ\$250.00. (Plus additional 15% of the insured value of the claimed item(s), with a maximum of NZ\$250.00 for all electrical & mechanical failure claims.)

Option 2: Restricted Cover for Household Effects

This is a more cost effective cover, and provides you with cover for Accidental loss, physical damage or destruction of The Property Insured as a direct result of fire, flood and/or accident to, or overturning of the conveying vehicle. Cover is extended to include total loss of any shipping container lost overboard or dropped whilst loading on to, or unloading from, vessel or craft. This cover has a no excess.

Option 3: Comprehensive Cover for Motor Vehicle / Motorcycle / Boat / Caravan / Trailer

This covers you for Accidental loss, physical damage or destruction of The Property Insured including breakage, scratching, denting, chipping, or tearing, physical damage or destruction of The Property Insured as a direct result of fire, flood and/or accident to, or overturning of the conveying vehicle. Cover is extended to include total loss of any shipping container lost overboard or dropped whilst loading on to, or unloading from, vessel or craft. You are also covered for burglary following violent and forcible means (or threat thereof) of The Property Insured from any professional storage facility or securely locked vehicle whilst in the ordinary course of transit.

This cover has an excess of NZ\$500.00 or, 1% of the insured value (whichever is greater).

Valuation Options Available to You

Option 1. Individual Values – This is a great opportunity to conduct a comprehensive assessment of your insurance requirements by individually valuing ALL of the property being moved. There are two methods of doing this...

- (i) Complete this proposal form going room by room and giving individual replacement values to the property moving.
- (ii) Attach your own separate list to this proposal form giving individual replacement values to ALL of the property moving.

Option 2. Value by Volume (Household effects Only) – This is the quickest and easiest method of applying a value to the property being moved. Simply multiply the total volume of ALL of the household effects being moved by NZ\$3000 per cubic metre (\$3,000 per cubic meter is the minimum, there is no maximum per cubic meter rate if \$3,000 is not sufficient, with a limit per policy of NZD \$1,000,000).

Owner Packed Items

Please note that the contents of owner packed cartons / packages will not be covered for pairs & sets, electrical & mechanical, breaking, denting, scratching & chipping. You must also have a detailed and valued list of the contents.

Important Notes

All individual items valued over NZ\$10,000 must be declared in the specific section on this proposal form. As part of your move information New Zealand movers will provide you with information from which you can decide on which Insurance option you would like to take. If you do not take out insurance cover with Vero through New Zealand Movers then your goods will be transported/stored at 'Owner's Risk'. Refer to T's & C's of Contract.

In the Event of a Claim

In the event of a claim please email claims@newzealandmovers.co.nz with a brief description of your loss/damage within 14 days of receiving delivery. Please ensure you provide your new address and telephone details. A claim form will then be emailed to you for your completion and return within 30 days together with quote(s) for repair/replacement if required. Email: claims@newzealandmovers.co.nz

Conditions

Average Clause

If at the time of loss or damage The Property Insured is collectively of a greater value than the total sum insured then you shall be considered as being your own insurer for the difference and bear a rateable share of the loss accordingly.

Example

Sum Insured	\$10,000	The Claim Adjustment is calculated as follows:	
Claim	\$1,000	$\frac{\$10,000}{\$20,000} \times \$1,000 =$	\$500
Value of Property	\$20,000	Amount claimable before excess	

Avoidance of Delay

It is a condition of this insurance that you will act with reasonable dispatch in all circumstances within your control.

Constructive Total Loss

No claim for constructive total loss shall be recoverable unless The Property Insured is reasonably abandoned either on account of its actual loss appearing to be unavoidable or because the cost of recovering, reconditioning and forwarding The Property Insured to the destination named in the Household removal Insurance Declaration would exceed its value on arrival.

Duty

In the event of The Property Insured becoming a total loss as a result of an insured risk this insurance excludes any payment for duty, GST or other taxes unless included in the sum insured and then only when such amounts have been incurred at the time of loss and are non-refundable.

Excess Clause

As declared and agreed on the certificate of insurance.

Replacement Clause

In the event of loss or damage to any part or parts of your household appliances caused by a risk covered by the policy the sum recoverable shall not exceed such proportion of the cost of replacement or repair of such part or parts plus charges of forwarding and refitting, as incurred, as the total sum insured bears to the total value of The Property Insured. Provided always that in no case shall the liability of the Company exceed the sum insured of the complete machine or appliance.

Pre-shipment Condition Report for Motor Vehicles, Motorbikes and Caravans

A condition survey is to be carried out at your expense by an independent party immediately prior to the commencement of cover. In the event of a claim the written report of the survey is to be submitted to the Company and if such report is not available the policy excess will be doubled.

Replacement Clause for Motor Vehicles

In the event of loss or damage to any part or parts of The Property Insured caused by a risk insured against, the sum recoverable shall not exceed the cost of replacement or repair of such part or parts plus charges for forwarding and refitting, if incurred, but excluding duty unless the full duty is included in the sum insured, in which case loss, if any, sustained by the payment of additional duty shall also be recoverable. In no case shall the liability of the Company exceed the insured value of The Property Insured.
